This Apostille is not to be used in the UK and only confirms the authenticity of the signature, seal or stamp on the UK public document. It does not confirm the authenticity of the underlying document. Apostilles attached to documents have been photocopied and certified in the UK confirm the signature of the UK official who conducted the certification. It does not authenticate either the signature on the original document or the contents of the original document.

If this document is to be used in a country not party to the Hague Convention of the 5th of October 1961, it should be presented to the consular section of the mission representing that country
